## **CITY OF ROCKPORT REQUESTS CITIZEN INPUT ON CRIME AND SAFETY ISSUES**

ROCKPORT, TX – When Lubbock Police Chief Gregory Stevens takes the helm of the Rockport Police Department in June, there are likely to be changes in direction and procedure, as well as the development and implementation of new programs and services geared to community policing. With this in mind, the City and the Rockport Police Department have developed a short survey for residents to provide input on their personal concerns and priorities in regards to crime and safety.

The survey is available at <https://cityofrockport.com/FormCenter/Survey-4/Police-Department-Survey-42> OR by going to the Police Department page on the City's web site and clicking on the survey link. Individuals who do not have access to a computer, may contact the Rockport Police Department at 361-790-1101 to arrange for a printed copy. Neither names nor email addresses will be collected as part of the survey.

It is the mission of the Rockport Police Department to provide the highest quality law enforcement and crime prevention services possible to our community and to work with other public and private entities to attain and sustain the highest possible quality of life for the people who reside and conduct business within our jurisdiction.

-30-

*Editor's Note: To help learn more about the PD's service and to prepare for the arrival of Chief Stevens as the permanent Chief of Police in a few weeks, Interim CPA Fred Fletcher has planned this survey for several months.*
