ROAD CLOSURE IN ROCKPORT COUNTRY CLUB

ROCKPORT, TX – Beginning on Wednesday, September 22, Augusta Drive will be closed between Bent Tree Street and Lakewood Drive for sinkhole and manhole repairs. It is estimated that the road will reopen late Friday afternoon, September 24th.

While the underground work and refilling will be completed this week and the road will be drivable, additional work will need to be done later. This includes ensuring that the holes have been allowed to settle to ensure stability. Once this is determined, it will be resurfaced with proper material.

-30-

THE SINK HOLE IS TO THE RIGHT OF THE MANHOLE COVER.
