Emergency Temporary Repair of Affected City Roads related to City Drainage Projects

ROCKPORT, TX - Working with the projects bond company, Merchant, the city has received permission to apply road base to these affected roads to make them safer and more easily traveled until a drainage contractor can be identified to complete the projects and have the roads restored to regular pavement. The city would like to thank the County for agreeing to provide the equipment, labor, and materials for this temporary repair. The bonding company has agreed to reimburse the county for these expenses. The work is expected to begin July 6th. Until the work begins, please avoid these roads if possible and if not possible to avoid them, please drive slowly and safely.

The affected roads include:

- Orleans
- Sabinal
- North Ann
- South Ann
- Hackberry
- North Magnolia
