## STREET SEAL COAT PROGRAM BEGINNING AUGUST 23, 2023

ROCKPORT, TX – The City of Rockport is beginning the annual Seal Coat Program. This program allows the City to be divided into various sections and by using ad valorem taxes, the City contracts with the County to provide a seal coat on each street every six to seven years.

The process should take two to three weeks depending on the weather. Please be advised that different streets may be intermittently impassable during this time. Please look for, and abide by, road signs as directed. The map and list of Streets are listed below:
