

# Proposed Annual Budget and Capital Improvement Program

October 1, 2023 - September 30, 2024

This budget will raise more revenue from property taxes than last year's budget by an amount of \$1,050,240, which is a 12.91 percent increase from last year's budget. The property tax revenue to be raised from new property added to the tax roll this year is \$243,085.

## Property Tax Rate Comparison

	2023-2024	2022-2023
Property Tax Rate:	\$0.360078/100	\$0.378149/100
No-New-Revenue Tax Rate:	\$0.323639/100	\$0.352885/100
No-New-Revenue Maintenance & Operations Tax Rate:	\$0.189317/100	\$0.188294/100
De Minimis Tax Rate:	\$0.358492/100	\$0.373066/100
Voter-Approval Tax Rate:	\$0.360078/100	\$0.378149/100
Debt Rate:	\$0.146495/100	\$0.157638/100

Total debt obligation for City of Rockport secured by property taxes: \$29,785,013.

**Budget Presentation - 8/8/2023**

**Budget Workshop – 8/1/2023**

**Preliminary Budget – 7/24/2023**

## Notice of Public Hearing on Proposed Budget

The City of Rockport has scheduled a public hearing on the Proposed Budget on September 5, 2023. The public hearing will be at 6:30 p.m. at the Rockport Service Center, 2751 State Highway 35 Bypass, Rockport, Texas 78382.

**This budget will raise more total property taxes than last year's budget by \$1,050,240 or 12.91% and of that amount \$243,085 is tax revenue to be raised from new property added to the roll this year.**

Members of the public are encouraged to attend and express their views.

# **CITY MANAGER BUDGET MEMORANDUM**

August 8, 2023

To the Honorable Mayor and City Council Members:

## **Introduction**

In accordance with Article VII of the City of Rockport Charter and Chapter 102 of the Texas Local Government Code, I am submitting to you a draft budget under unusual circumstances. This is the first time in recent history that a budget will be produced prior to having the certified tax rolls prior to the submission of the budget. This budget, serving for the fiscal year 2023-2024 beginning October 1, 2023, is incredibly preliminary, a rough estimation and at best, premature. However, it is a starting point. This document will serve as the framework for the final budget when certified tax rolls are received on the August 24, 2023 due date.

The development of this budget has been a collaborative process with input from every department, the City's leadership team and City Council. This budget addresses many, but certainly not all, of the City's operational needs, while remediation efforts of previous financial practices.

The budgetary and accounting policies contained within conform to generally accepted accounting principles (GAAP) as established by the Governmental Accounting Standards Board. The accounts of the City are organized based on funds and account groups, each of which is considered a separate budgetary and accounting entity. Within the budget, the City's various funds are grouped into general fund types and proprietary fund types. The budget is prepared on the GAAP basis, with all governmental funds determined by using the modified accrual basis of accounting and proprietary funds established by using the accrual basis of accounting.

This budget focuses on the emphasis of openness of decision making, conservative expenditures, and looking to the future health of the City's financial status. Mother nature has given us a bumpy recent history so working towards mitigating the negative ramifications of environmental disruptions has become a key focus area and the budget is reflective of that. Additionally, supply chain issues are affecting how this budget was developed. A significant sum has been added to get a stock of water meters built up to keep up with development. Finally, a key element in this budget is an emphasis on training of staff. A priority of mine is to create an environment where customer service excellence is ingrained in the culture. A knowledgeable, team-oriented staff is crucial to this outcome.

## **Economic Outlook**

The City of Rockport is a tourist destination that is also in a period of rapid growth. Consequently our static population of approximately 11,000 is growing rapidly with an estimated 2,300 new homes currently approved for development, our tourist population continues to thrive. The impact on the budget is not something to be over looked. While we have a static population, we must plan infrastructure and services for a transient population of 35,000+.

There continues to be a shortage of labor in restaurants and retail areas, primarily attributed to attainable housing. And this does not appear to be an area that is of great interest to the incoming development. The, relatively new EDC, has taken this area on as a project and we will work cooperatively to regenerate this market area.

We are not immune to the national inflation that is higher than usually expected. While we have seen a slow in inflation, it still continues to affect the expenditures of the city. We are still reeling from the 8% increase in 2022, an additional 4.26% increase has been the experience for 2023. For 2024 the projection is 3%.

In the last two months (June and July) there has been a decrease in Sales Tax over the same two months last year. This is of note as these are typically our two busiest months as far as tourism and sales tax are concerned.

As expected, there is a subsequent decrease in Hotel Motel Taxes collected from last year. This fund is healthy and the distribution for FY 23-24 is less than the anticipated collection. The fund is solvent but must be given an eye of caution to maintain this status.

### **Notable Policies and Programs**

The submission of a balanced budget summary that shows the relationship between revenues and expenditures is attached. However, it is worth mentioning again that we do not have the Certified Tax Rolls. Additionally, we have not made all the requested changes in the Budget Workshop on 8/3/2023. These numbers WILL change.

As a result of discussion at the Budget Workshop, staff will begin negotiation for a developer contribution withing our development agreements to cover the lost income during the period of time of which we are conducting an Impact Fee study. In the budget, an overall fee study has been approved to bring our fees closer to market rate.

Staff received a 5% COLA last year. This year, we are not in a position to offer a COLA or merit raise. Instead, a one time payment of either \$1000 or \$1500 will be awarded based on satisfactory or excellent performance, respectively.

### **Health Insurance**

As experienced across all of the workforce, we have experienced a large raise in health insurance premiums. TML health insurance proposed an increase of 12%. This is an increase of \$140,529.12. We have opted to raise our deductible from \$1,500 to \$2,000 and the max out of pocket from \$5,000 to \$6,000, making our annual increase \$64,148.88 or 5.4%.

### **Unfunded Issues**

The City continues to need additional funding for capital needs associated with maintenance concerns now and in the future associated with new growth. Specifically, additional funding for capital is needed, but not addressed in the FY 2023-2024 budget, for (1) drainage, (2) streets, (3) park land acquisition and development, and (4) utility line replacement and expansion. Making significant progress on street work, park land acquisition, and development will require issuance of general obligation (GO) bonds, tax notes, or some other debt instrument. Drainage can also be served by GO bonds or tax notes but ideally should have a dedicated, recurring funding source such as a drainage utility district (which is a separate taxing authority) or a drainage fee. In both

instances the amount of fee that an individual property owner pays is determined by the amount of impervious cover their property has, i.e., how much stormwater they are contributing to the drainage system. Capital needs associated with the water, wastewater, and natural gas utilities may be achieved with the issuance of revenue bonds paid for by increased utility customer rates. All of these items require in depth workshop discussions by the City Council and ultimately a vote by the citizens of Rockport with the consideration of a bond package.

We are at a precipice with our police officer count, and at this point, do not have funding to support a larger force. Moving forward, an evaluation of law enforcement priorities, exploration of optional funding sources and staffing levels will need to be conducted.

### **Taxes and Growth of City Government**

This area will be addressed once certified tax rolls are received.

### **Conclusion**

Good things are happening in Rockport right now. The Cultural Arts District is alive with improvements. The new City Hall and Courthouse are nearing completion. The Center for the Arts is open and thriving and events occur nearly every weekend. There are approximately 2,300 new homes proposed to be built, potentially exploding the population. Our festivals continue to grow in number and attendance. All the while making a collaborative effort to maintain our local charm for the entire peninsula.

This brings challenges as well. Infrastructure and services are under pressure to meet the demands of this, with little or no additional resources. At this point, Rockport has a sales/ad valorem tax ratio that is not sustainable so new creative policies and opportunities must be explored.

The proposed FY 2023-2024 Budget is extremely conservative in both revenue and expenditures and addresses only maintaining the status quo. The development of this budget is continually mindful that meeting the fundamental health, safety, and welfare needs of our citizens are essential to making a progressive and successful community.

The staff has worked extremely hard and done an outstanding job with the development of this budget, under extremely unique circumstances. Thank you to the City Council for devoting the time needed to discuss critical issues and understand the difficult choices to be made to keep the functions of the city operational.

Respectfully,

Vanessa Shrauner  
City Manager

---

There are some minor changes from the last budget you received. The biggest one being that we received an estimate of taxable value. **Let me take this chance to remind you that we are not anticipated to have the Certified Taxable Value until August 24<sup>th</sup>. Anything contained in the attached budget IS NOT based on Certified Tax Rolls. We are working off estimates only.**

The estimated taxable value for the 23-24 Budget year is \$2,677,824,883 which is \$429,752,629 over last years value. There is still more than 10% of the properties under protest so values cannot be certified until there is less than 5%.

Some of the changes you will see are:

1. Added Watchguard and Incode projects to the Police Department. These are contracted services for a total of \$152,938.
2. An encumbrance for the trail expansion from the Pool to Tule creek.
3. There were adjustments to the Police budget that were net zero changes, but movement was made across departments.
4. A credit card fee revenue of \$160,000 was added to account for the new fee council just enacted.
5. A FEMA grant revenue was added amounting to \$2,040,000.

There are other minor changes you will see as you go through the book, and we will be prepared to discuss them at our Budget Workshop August 1<sup>st</sup>, 2023 9:00 here at the RSC.

See you then.

---

My first year in Rockport has been one full of learning experiences and growth. Familiarizing myself with the budget, the budget development process has been very eye opening. While we have recognized certain hurdles in the budget, we are confident in our capacity to overcome them.

Inflation is down from the summer highs of 2022 but is still far above the pre-Covid rates thus we are still feeling the budgetary effects of the increases. This year's incremental increase, although modest, becomes more pronounced and remains significant when considered in conjunction with last year's inflation. TML health insurance proposed an increase of 12%. This is an increase of \$140,529.12. We have opted to raise our deductible from \$1,500 to \$2,000 and the max out of pocket from \$5,000 to \$6,000, making our annual increase \$64,148.88 or 5.4%.

Additionally, when formulating the budget, it was discovered that wind insurance for City facilities had not been adequately budgeted in past years (it was paid, not budgeted). This cost is estimated at just over \$400,000 per year, with a re-rate due to us any day now. The addition of The Downtown Anchor Project will add another estimated \$425,000. Making our total wind insurance cost near an additional \$1,000,000 in this year's budget to cover the cumulative costs. We divided this amount between the appropriate funds.

We have discussed the use of the Community Disaster Loan. It has been assumed that the loan has been credited as revenue for the past five years, therefore it has been included in the budget and spent. By not drawing from the loan the current year budget will be affected and we will feel an impact for several years to come while building our reserves to our 180-day level.

We anticipate the new City Hall being ready for occupation in February of 2024. As far as the budget is concerned, we have included nine months of operations cost in the budget, with all relevant expenses highlighted for clarity. The cumulative costs are included in the bottom line. However, additional janitorial staff are not included in the proposed draft budget, but are in the new initiatives for consideration.

The appraisal district has informed us that, due to the high number of appeals, the estimated collections will not be available until the middle to late August. To formulate our budget for the current year, we relied on the present property tax collections along with a conservative 3% increment to account for new property values added. Additionally, we opted to maintain sales tax at its current level due to a decrease in the current year, making an increase unwise at this point.

The attached budget reflects a spending reduction of 13.7%, however, it also reflects a reduction of revenue of 15.9%. The budget IS NOT balanced as we are waiting on even preliminary numbers from the appraisal district. You should see some more accurate information in the binder you will receive this Friday. The General Fund shows an increase of 12.3% in expenditures with the bulk being realized in insurance (as noted above), and contract services.

Utility System fund reflects an increase in spending of 16.7% or \$2,105,864.00. This is primarily in the Water Distribution Department. There is a shortage of the type of meters that we need for our automated meter reader system. With our predicted substantial growth, we need approximately 2300 meters to maintain the pace of development. We have asked for \$1,000,000 for the stated number of meters, however, with supply chain issues, we do not know when we will receive or will be billed for these products. But we intend to order in phases. Failure of us to get orders in and get in the queue could curtail development. This large order is only partially covered in the projected water price as the revenue from this growth will not be realized immediately.

Currently, we have not received information from San Patricio Water Supply as to a change in water purchase price. Our Rate Study does not account for this item. We will need to discuss water rates when we receive this information.

Subsequently, the Wastewater Department estimates a reduction in expenditures of 3.2% or \$76,161 while Utility Customer Service predicts an increase of 10.9% or \$84,803. Finally, non-departmental spending in the Utility Fund increased 16.1% or about \$596,089 which can be primarily attributed to the portion of windstorm insurance we allocated into this fund.

While we work through the potential sale of the Natural Gas System, we will need to continue to operate as usual and remain in compliance with the Railroad Commission. Preliminarily, the Natural Gas System is solvent.

The Community Aquatic center is projected to need a transfer of \$409,505 from the General Fund to break even. This is 55% more than was budgeted last year. The staff has been instructed to work towards programing some revenue generating activities with the hope of reducing the transfer amount.

We are estimating an approximate 14% drop in Hotel Motel Tax collections. The projected revenue and the use of reserves to fund the council approved projects, will leave the fund balance with at least 365-day reserve.

I have included the preliminary CIP Projects; however, a full discussion needs to take place around this fund. The remaining funds are either passed through or funded by transfers or billing from other entities. However, of note is that a payment to Republic Services out of the Sanitation Department was unattended to in 2020 leaving us with an unpaid balance of approximately \$200,000 that we have budgeted for the coming year. There has been a miscommunication of billing practices between the City and Republic in that they have billed us another approximate \$250,000 going back as much as three years. We must do a forensic style audit of these bills to determine exactly what is owed by the City. They have been informed that we may need to take as long to pay as they took to bill.

In addition to the information above, I have not included the \$4.6 million worth of requested new initiatives. These will be prioritized in the event that funding becomes available, grant or otherwise. I also have not considered a cost of living or merit increase for employees. These need to be looked at after a tax estimation is given.

Please reach out with any questions you may have. We will update data when we receive it and should have a lot more information when we receive a preliminary tax number. You will get a binder Friday in preparation for our Budget Workshop on August 1<sup>st</sup>.

And just because I like a good graph:

## ADDITIONAL INFORMATION

FY 2023-2024  
Budget Requests

Department	Line Item Description	Expense Impact	Funded	Not Funded	Revenue Offset	Savings Other	SUBTOTAL	Overall Increase(Decrease)	Funding Source	Comments
GENERAL FUND										
Streets & Drainage	Concho St. Outfall at Harbor	239,597								Install box culvert from Austin St. to the Harbor sub out.
Information Technology	Network Administrator / Payroll	91,126								This position will concentrate on network security and availability.
Wastewater	Force Main - First to Gagon	2,020,000								Add a new 12" force main from Frist St. lift station to the Gagon lift station
										Assist City Secretary with all duties such as, records maintenance, public information requests, archiving/retrieving and preserving city records. Prepares agendas and meeting notices for City Council meetings and others boards, commitees and commisions. Records meeting minutes. Assistance in coordinating and conducting city elections.
City Secretary	Assistant City Secretary / Payroll	77,417								
Rockport PD - Patrol	Patrol Officer / Payroll	313,859.00								5 Patrol Officers
Rockport PD - Patrol	Patrol Officer x5 / Equipment	50,000								Uniforms, radio, body camera, gun, laptop, fully equiped vehicle x5
Rockport PD - Patrol	Vehicle	350,000								5 patrol vehicles
Building Maintenance (Reduced to PT)	Custodial Services Technician / Payroll	22,500								Cleaning and minor maintenance of City owned facilities (Reduced to PT)
Building Maintenance	Custodial Services Technician / Equipment	10,300								
Rockport PD - Code Enforcement (AA)	Code Enforcement Supervisor/ Payroll	61,900								Will increase the efficiency and provide-leadership AA Suport to the division
Rockport PD - Code Enforcement	Code Enforcement Supervisor# Equipment	1,500								Uniforms, laptop, vehicle, cell phone- Computer
Parks	Memorial Park Parking Lot	250,000								New entrance through old dog pound.
Municipal Court	Incode Judge's Package	31,669								Incode Court Software
Parks	2nd Mower	14,000								Parks 2nd Mower
		3,533,868								
Fleet Maintenance	Diesel Fuel Tank Removal	75,000.00								Tank removal and disposal, including transportation
Fleet Maintenance	Equipment Storage	95,000.00								40*100 Equipment Storage
Fleet Maintenance	Car Wash Canopy (FEMA)	40,000.00								Add Car Wash Canopy to East Side of Fleet Building 1
Fleet Maintenance	402 E Laurel	105,000.00								Fleet Building 1 Roof Repairs
Fleet Maintenance	402 E Laurel	20,000.00								Fleet Building 1 Foam Insulation
Fleet Maintenance	402 E Laurel	120,000.00								Repave lot located at 402 E Laurel
										Gun Range backstop needs repairs to provide adequate safety to surrounding areas of property. Construction of overhead baffle is necessary to ensure live riffle rounds are contained inside range.

Total	\$7,423,345		\$11,709,000	\$6,732,000	\$12,694,000	\$4,000,000	\$35,233,000	\$20,100,000	\$ 55,333,000*
Amount needed if we sell Gas plant and Park land development reduced by \$6M									\$31,333,000
* Total amount of new debt needed does not include first column of unspent funds ** \$500,000 possible park project from HOT Funds									

\*Preliminary Budget priority is on spending unused bond funds

# Truth-In-Taxation (TNT) Basics

(For Taxing Units Other Than School Districts)

## Terms and Definitions

### **No-new-revenue tax rate**

(Last year's levy minus lost property levy) divided by (current total value minus new property value).

**Voter-approval tax rate for a special taxing unit** Voter-approval tax rate equals (no-new-revenue maintenance and operations tax rate times 1.08) plus current debt rate.

### **Voter-approval tax rate for a taxing unit other than a special taxing unit**

(No-new-revenue maintenance and operations tax rate times 1.035) plus current debt plus unused increment rate.

### **No-new-revenue maintenance and operations rate**

(Last year's levy minus last year's debt minus last year's junior college levy) divided by (current total value minus new property value).

### **De minimis rate**

The rate is equal to the sum of:

- (A) a taxing unit's no-new-revenue maintenance and operations rate;
- (B) the rate that when applied to a taxing current total value, will impose an amount of taxes equal to \$500,000, and
- (C) a taxing unit's current debt rate.

### **Unused increment rate**

A taxing unit that did not use all of its revenue growth may bank that unused growth as long as the taxing unit averaged below 3.5 percent of the voter-approval rate over three years.
