## **REPUBLIC SERVICES – WEATHER UPDATE**

ROCKPORT, TX – During the ongoing weather event this week, Republic Services is currently planning for business as usual. Below is a list of helpful hints during this rain and wind event:

- Do not place your cart(s) out if your street is flooded on your set-out day (Keep it up secured in the garage or near the home)
- If you set out the night before, please ensure the cart is setting up right in the am with all debris placed back inside it
- If your street is known to have flooding, place the cart above the curb on the grass or driveway if flat to prevent drifting (Within 1 foot of the street)
- If you can hold off for a week with minimal waste/recycling, please keep cart(s) secured away until next week if possible
- Ensure your cart(s) are not blocked by a vehicle or within 3 feet of an object
- Ensure the lid is closed and all waste is bagged inside the cart

Additional updates will be provided if anything changes.
