REPUBLIC SERVICES – DURING HURRICANE BERYL

ROCKPORT, TX – Below is an update from Republic Services:

Residential Services:

After the latest storm path predictions for landfall, **we will not be running services on Monday for safety purposes**. Please inform your residents to pull their carts back in if set at the curb for Monday. If we can start on Tuesday, we will handle the recovery of waste and recycle services in the following manner:

- If your city has once per week waste services, we will service Monday residents on Tuesday. All other days of service will be delayed by a day through Saturday if needed.
- If your city has twice a week waste services, we will service Monday residents on your 2nd day (Thurs). If Tuesday routes are impacted as well, we will service residents on Friday.
- If you have recycling services on Monday, we will service residents on Tuesday.
- Brush & Bulky services will be paused until further notice pending the outcome and severity of the storm.

Commercial Services:

- All Monday businesses will be delayed by a day for the entire week. (Some cities may have until Saturday to recover)
- Please close all container lids to prevent excess rain and wind-blown debris from impacting the area.

Comments-

Our priority is the safety of our drivers and team. Please ensure your family and team are safe as well. Thank you for your patience and understanding.
