**Does it cost money to run for City Council?**

No, there is no fee associated with running for City Council; however there is a requirement of a petition. The City Charter Article V. City Elections Section 5.02 Filing for Office (g) states A candidate filing for a Council Member position must include a petition along with their application for a place on the ballot for an office which contains signatures of qualified voters equal in number to thirty percent (30%) or fifty (50), whichever is lesser, of those who voted in the last election for that office. If the immediately preceding election for the Council Member position applied for was canceled as provided by law, a petition containing fifty (50) signatures of qualified voters shall be necessary along with the application for a place on the ballot for an office. This requirement shall not be construed to mean the signatures of actual people who voted in the last election\*

*The 2023 Ward 1 Election had a total of 114 voters and 30% is 35, so this petition will require 35 signatures of qualified voters.*

*The 2023 Ward 3 Election was canceled due to being unopposed so this petition will require 50 signatures of qualified voters.*
